25X1 1. [] Informed Don Appell, Chief Investigator, House Committee on Un-American Activities, that Agency policy precludes our honoring his request to furnish the personnel file of an OSS employee in connection with a Committee investigation. Mr. Appell was quite piqued.

25X1 2. [] At the request of Nettie Bishop, Assistant to Congressman Frank C. Owens (R., N. J.) made a new appointment for [] for 2 p.m. with [] Office of Personnel. (See Journal item of 11 December.)

25X1 4. [] John Meek, in the office of Senator J. Howard Edmondson, called and said a civic group in Oklahoma was interested in obtaining a speaker from the Agency for a social function and Meek asked if the Agency made speakers available for this purpose. I advised him that this Agency does not provide speakers for these purposes.
